LIVING AT EASE IN THE SPIRITUAL WORLD MARCH 6-7, 2020

What is the workshop about?

So often we forget about the reality of the spiritual world that we live in. We operate in the material world and assume that if we can fix the brokenness there, all will be well. However, very often that is not the case. The brokenness and damage of our fallen world impacts us at a deep spiritual level. It is in the depths of our human spirit that we find healing, restoration, and redemption.

When we begin operating within, and living more aware of the spiritual world, we are able to tap into the damage that lives within us so we can let go of it for good. We begin being able to move in spiritual gifting and anointing, as the person God created us to be. We can more accurately hear the voice of God, trusting His perspective. When we have an openness to the spiritual world we are able to read Scripture and understand theology in new ways. We can righteously love and honor ourselves, others, and God.

During this next workshop, Peter Holmes & Susan Williams will unpack this idea that our fallen world has two aspects to it - the material and the spiritual. They will help us learn to be more fully present in the spiritual world and give us practical tools to make this all a reality.

This workshop will be taught by **Dr Peter Holmes** and **Dr Susan Williams**, sharing from their own personal experience and from many others they have taught and supported. It will include practical steps for you to follow during and after the workshop to help you become more of who you were created to be.

Peter and Susan are experienced speakers, pastoral counsellors and authors from UK, where the Rapha Journey originated. The Rapha Journey is a step-by-step Biblical process of growing into greater wholeness and (when you are ready) a deeper relationship with God.

Although our workshops are taught from a Biblical perspective and can help deepen your relationship with God, we are pleased to welcome you if you are not attending a local church or are not even considering a relationship with God. The workshop will help you on your journey of personal growth.
