

Our workshops involve in-depth teaching and practice designed to both enrich your spiritual growth and enhance your quest to become more of the person you were created to be. This journey will enable you to experience greater authenticity, wholeness and Christ-likeness in all areas of your life.

This workshop will be taught by Dr Peter Holmes and Dr Susan Williams, sharing from their own personal experience and from many others they have taught and supported. It will include practical steps for you to follow during and after the workshop to help you become more of who you were created to be.

Peter and Susan are experienced speakers, pastoral counsellors and authors from UK, where the Rapha Journey originated. The Rapha Journey is a step-by-step Biblical process of growing into greater wholeness and (when you are ready) a deeper relationship with God.

# WOMAN: CREATED EQUAL?

DECEMBER 3, 2020

FINDING FREEDOM  
**WORKSHOP**

## **What is the workshop about?**

For the last few hundred years the prevailing view in many parts of society and the church has been that woman, created after Adam, was either an afterthought, or merely a servant ('helper') given to man.

Is this God's perspective? Much new thinking has been emerging based around Genesis 1-3, regarding alternative ways of understanding what Scripture has to say about the Creation of man and woman. It suggests a radical equality, where each is celebrated, respected and in God's image.

In this evening workshop Pastors Susan Williams and Peter Holmes will unpack some of these ideas in order to offer a fresh and more positive view of what God did for women on the sixth day of Creation. We will explore how women can carry this truth healthily and with dignity, and how to respond when we are with others who do not appear to share this view. And we will map out a journey into greater healing and wholeness for ourselves, our daughters, our wider family and friends, a journey that will also be life-giving to the men around us.

This is a women's workshop, but men are very welcome to join us. It will be hosted in-person at The Commons and online via livestream. All are welcome.

Everyone is welcome to our workshops. We will include a Biblical perspective that can help deepen your relationship with God.

But if you are not currently in a faith journey, we explicitly encourage you to take up what is most helpful and set aside anything you may not be comfortable with.
