

Our workshops involve in-depth teaching and practice designed to both enrich your spiritual growth and enhance your quest to become more of the person you were created to be. This journey will enable you to experience greater authenticity, wholeness and Christ-likeness in all areas of your life.

This workshop will be taught by Dr Susan Williams, sharing from her own personal experience, and from many others she has taught and supported. It will include practical steps for you to follow during and after the workshop to help you become more of who you were created to be.

Susan is an experienced speaker, pastoral counsellor, and author from UK, where the Rapha Journey originated. The Rapha Journey is a step-by-step Biblical process of growing into greater wholeness and (when you are ready) a deeper relationship with God.

# Daring to Become AUTHENTIC

TOOLS TO GROW MORE OF THE  
PERSON YOU ARE CREATED TO BE

A WOMEN'S WEEKEND AWAY  
APRIL 9-11, 2021 | BUTTE, MT

## **What is the workshop about?**

The hunger to be authentic is universal. It's part of being human. Inside all of us is a drive to live in our true self before others, with ourselves, and, when we are ready, in relationship with God. At the time of the Early Church it was described as a 'personal thriving.' Christ called it 'letting your light shine.'

And yet there are so many pressures in our life that assault us. Daily stress, historic trauma, peer pressure, sheer exhaustion, addictions and other coping mechanisms—these things (and many more) deplete our capacity to live well.

In this retreat we will be exploring how to let loose more of that holy authenticity that brings life to us and to those around us, regardless of our circumstances.

Pastor Susan Williams will lead our weekend along with our Women's Team. The weekend will include good food and plenty of snacks, time to explore historic Butte, a Q&A 'clinic' for personal questions, opportunity for discussion and a time to meet the Lord together with communion and prayer for healing.

## **By the end of the workshop you will have had the opportunity to:**

- ✦ Be able to recognize more of the person you are created to be
- ✦ Have several personally-relevant tools to help you grow more of you
- ✦ Have new insight into how Scripture equips us to take up maturity in Christ
- ✦ Understand what threatens your capacity to be authentic and how to overcome it
- ✦ Have some new skills for living authentically in 'tricky' relationships
- ✦ Have heard numerous testimonies of healing and/or growth in relationship with the Lord
- ✦ Grow friendships and find companionship for your own journeying
