

Our workshops involve in-depth teaching and practice designed to both enrich your spiritual growth and enhance your quest to become more of the person you were created to be. This journey will enable you to experience greater authenticity, wholeness and Christ-likeness in all areas of your life.

This workshop will be taught by Dr Peter Holmes and Dr Susan Williams, sharing from their own personal experience and from many others they have taught and supported. It will include practical steps for you to follow during and after the workshop to help you become more of who you were created to be.

Peter and Susan are experienced speakers, pastoral counsellors and authors from UK, where the Rapha Journey originated. The Rapha Journey is a step-by-step Biblical process of growing into greater wholeness and (when you are ready) a deeper relationship with God.

THE STRATEGIC IMPORTANCE OF THE ASCENSION: WHAT DIFFERENCE DOES IT MAKE TO YOU?

MAY 13, 2021

FINDING FREEDOM
WORKSHOP

What is the workshop about?

Christianity places a great deal of importance on the Birth of Christ, and His Crucifixion and Resurrection, but most of us would not even be able to say what really happened around Ascension.

Some 40 days after His Resurrection Jesus met with His Disciples on the Mount of Olives, and “as they were looking on He was lifted up, and a cloud took Him out of their sight” (Acts 1:9). This is the extent of most of our knowledge.

But until Christ had returned to His Father and sat at His right hand, His mission had not been fully completed. The Early Church knew this and spoke of the Doctrine of the Ascension and the Glorification of Christ. These final events were essential to the completing of His Call here on earth. And are therefore essential for us.

If Christ had not ascended, there are many aspects of our Christian life today that would be ineffective. Because Christ ascended, we can say yes to the Great Commission, we can pray with confidence, we can live a transformed life in anticipation of His Return.

We are holding this workshop on Ascension Day. Pastors Peter Holmes and Susan Williams will be unpacking the unique mystery surrounding this final event in Christ’s human life and the significance it has for us all on a daily basis.

Everyone is welcome to our workshops. We will include a Biblical perspective that can help deepen your relationship with God. But if you are not currently in a faith journey, we explicitly encourage you to take up what is most helpful and set aside anything you may not be comfortable with.
